

Whenuakite Country Kids

December 2010

Programme

We have continued with Music and rhythm in the Over 2's. James's Mum , Kelly came in with her Saxophone and played if for us which was a great experience for the children. They loved all the buttons that you can push on it!! Antheena has created a wonderful display wall with all sorts of instruments on it for the children to look at, and the children are all making musical instruments for the Christmas party concert.

The Under 2's are still concentrating on belonging; the Whanau board is looking great and the teachers would love you all to put comments on the giggle wall and bring in photos for the Whanau wall. Jasmine Lockhart is coming in to help out from 11.30-1.30 3 days a week at present which is making the lunchtime/sleep times run more smoothly on our busy days.

All of the children in the centre are very busy making Christmas decorations, and presents for the Christmas party... it's a very exciting time at Country Kids, as you all know the children LOVE Christmas!! We will be getting our Christmas Trees Monday 6th December.

Our Christmas Party is Tuesday 14th December starting at 11.30, we would love you to join us, your children are all very busy getting ready for the big day :) Children's lunch and Santa's present will be provided by Country Kids, could you bring a plate for adults to share.

Xmas Closure Dates

Country kids is closed from Tuesday 21st at 12.30 and re-opens Monday 10th January. There is a Summer Holiday Plans folder at Reception please could you put in there what your January holiday plans are for your children as it makes it much easier for us to do staff rosters if we know whether your child would be attending over January or not.

Afternoon teas

We are noticing that some of the children are running out of food at afternoon Tea time could you please make sure that there is enough food in the children's lunch boxes for Lunch and Afternoon Tea if they are staying 2.30 onwards.

Sunhats

Please keep remembering to put your child's sunhat in their bags as it is our policy (as well as school's) that all children wear named sunhats while they are at the centre and sunscreen must be applied before they are dropped off. We will re-apply sunscreen after lunch when they go back outside to play

Reminders

Could you check the lost property as its overflowing and we will be putting it into the country kids spare clothing supplies shortly.

We wish you all a very happy Christmas and a wonderful summer holidays

Thank you

Thank you very much Kelly for coming into play the Saxophone for us, we really appreciated it, and the children loved it.

Our Beach trip to Tairua was very successful thank you to all the parents that came with us, we couldn't have done it without you.

Whenuakite Country Kids
